Privacy Policy

Last updated: March 05, 2024

Protecting your privacy is important to us. We hope the following statement will help you understand how Peachy deals with the personal identifiable information ('PII') you may occasionally provide to us via Internet.

Generally, we do not collect any PII from you when you download our applications. To be specific, we do not require the consumers to get registered before downloading the application, nor do we keep track of the consumers' visits of our application, and we don't store such PII.

Peachy will never collect and store your photos or face data when you use our application. All photos on your device will be stored locally. And any PII can not be shared with any third parties.

The situations we may access your PII:

1. The information you provide
When you use certain AI features, such as AI Cartoon, AI Enhance, Advanced Remove and Advanced Cutout, we need to temporarily upload your photo to our server for processing. After the photo processing is complete, your photo will be deleted from our server. Please note that we do not store your photos, regardless of which photo editing features you use in our application.

2. Log Data
We may get access to your PII is when you personally decide to email us your feedback or to provide us with a bug report. The PII we may get from you in that situation are strictly limited to your name, email address and your survey response only.

In above situation, we guarantee that your PII will only be used for contacting you and improving our services. We will never use such information (e.g. your name and email address) for any other purposes, such as to further market our products, or to disclose your personal information to a third party for commercial gains.

It should be noted that whether or not to send us your feedback or bug report is a completely voluntary initiative upon your own decision. If you have concern about your PII being misused, or if you want further information about our privacy policy and what it means, please feel free to contact us via "Settings"-"Send Feedback" or by sending an email to peachy.ios@inshot.com, we will endeavor to provide clear answers to your questions in a timely manner.

Our app uses Admob, AppLovin as ads providers. The advertising providers want to show ads that are relevant to you. For more information, please check https://support.google.com/, https://www.applovin.com/privacy/.

With your permission, the third-party advertising provider may collect information genetated during vour use of our products and services to enhance vour advertising experience. If you conset, you will recieve the personalize ads while using Peachy. If you are not interested in personalized display, you could manage your options at any time through "Settings"-"About Peachy"-"Ad Personalization". Please note that you may still see ads after turning off this option, but the relevance of ads will be reduced.
